

Before Starting the Project Listings for the CoC Priority Listing

The FY 2018 CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be submitted prior to the CoC Program Competition deadline as required by the FY 2018 CoC Program Competition NOFA.

The FY 2018 CoC Priority Listing includes the following:

- Reallocation forms – must be fully completed if the CoC is reallocating eligible renewal projects to create new projects as described in the FY 2018 CoC Program Competition NOFA.
- New Project Listing – lists all new project applications created through reallocation, the bonus, and DV Bonus that have been approved and ranked or rejected by the CoC.
- Renewal Project Listing – lists all eligible renewal project applications that have been approved and ranked or rejected by the CoC.
- UFA Costs Project Listing – applicable and only visible for Collaborative Applicants that were designated as a Unified Funding Agency (UFA) during the FY 2018 CoC Program Registration process. Only 1 UFA Costs project application is permitted and can only be submitted by the Collaborative Applicant.
- CoC Planning Project Listing – Only 1 CoC planning project is permitted per CoC and can only be submitted by the Collaborative Applicant.
- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- All new and renewal projects must be approved and ranked or rejected on the Project Listings.
- Collaborative Applicants are responsible for ensuring all project applications are accurately appearing on the Project Listings and there are no project applications missing from one or more Project Listings.
- If a project application(s) is rejected by the CoC, the Collaborative Applicant must notify the affected project applicant(s) no later than 15 days before the CoC Program Competition application deadline outside of e-snaps and include the reason for rejection.
- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason after ranking has been completed, the ranking of other projects will not be affected; however, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND re-rank the project application BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

As a result of the rating and ranking process this project scored too low to be submitted to HUD for renewal based on our maximum HUD request for FY2018. This project scored poorly due to performance issues that included low occupancy, under utilization of HUD funds the prior year.

Eliminated Project Annual Renewal Amount: \$75,729

3-2. Describe how the CoC determined that this project should be eliminated and include the date the project applicant was notified. (limit 750 characters)

This project was first awarded funding in FY2016 for a new project creating 7 new PSH units. The capital funding for the project was not secured in 2016 or

2017. HUD regional office approved plan for participants to enter the project when there was turnover in existing PSH units (non-CoC funded units) owned by the applicant. Though this seemed to be a good interim solution, it did not actually create new PSH beds in the community. The turnover was slower than anticipated and there were only 2 participants in the program 5 months into the operating year. The capital funding has still not been secured. Once capital funding is secured to create the new units, the CoC would welcome another new project application.

4. Reallocation - Grant(s) Reduced

CoCs that are reallocating eligible renewal project funds to create a new project application – as detailed in the FY 2018 CoC Program Competition NOFA – may do so by reducing one or more expiring eligible renewal projects. CoCs that are reducing eligible renewal projects entirely must identify those projects on this form.

Instructions:

For guidance on completing this form, please reference the FY 2018 CoC Priority Listing Detailed Instructions. Submit technical question to the e-snaps HUD Exchange Ask A Question (AAQ) at <https://www.hudexchange.info/get-assistance/>.

4-1. Complete the fields below for each eligible renewal grant that is being reduced during the FY 2018 reallocation process. Collaborative Applicants should refer to the FY 2018 Grant Inventory Worksheet to ensure all information entered here is accurate.

Reduced Project Name: Project ReDirect
Grant Number of Reduced Project: NY0555L2C001709
Reduced Project Current Annual Renewal Amount: \$298,876
Amount Retained for Project: \$169,752
Amount available for New Project(s): \$129,124
(This amount will auto-calculate by selecting "Save" button)

4-2. Describe how the CoC determined that this project should be reduced and include the date the project applicant was notified of the reduction. (limit 750 characters)

Project ReDirect provides case management and support services for 300 households in three PSH projects; RHA/VOA PSH-RA #7, RHA/VOA PSH-RA #21 and RHA/MCDHS PSH-RA #5. A significant portion of RHA/MCDHS PSH-RA #5 has been re-allocated; there will no longer be 300 households in those programs to serve. There has been sufficient funds retained in Project ReDirect to serve all participants in in #7, #21 and the remaining portion of #5. The applicant was notified of this reduction by email on August 14, 2018.

4. Reallocation - Grant(s) Reduced Details

4-1. Complete the fields below for each eligible renewal grant that is being reduced during the FY 2018 reallocation process. Collaborative Applicants should refer to the FY 2018 Grant Inventory Worksheet to ensure all information entered here is accurate.

Reduced Project Name: RHA/Monroe County DHS PSH-RA #5
Grant Number of Reduced Project: NY0012L2C001710
Reduced Project Current Annual Renewal Amount: \$2,338,757
Amount Retained for Project: \$642,529
Amount available for New Project(s): \$1,696,228
(This amount will auto-calculate by selecting "Save" button)

4-2. Describe how the CoC determined that this project should be reduced and include the date the project applicant was notified of the reduction. (limit 750 characters)

Based on the local rating and ranking process, this was the second lowest scoring renewal project. Project has a significant history of poor performance based on utilization, the project being either under or over enrolled, and is the PSH program that has a high percentage of participants who return to homelessness within two years. The CoC has provided a wealth of technical assistance to the project over the past two years and there has not been significant improvement. The applicant was notified of the reduction by email on 8/14/2018.

Continuum of Care (CoC) Planning Project Listing

Instructions:

Prior to starting the CoC Planning Project Listing, Collaborative Applicants should carefully review the "CoC Priority Listing Detailed Instructions" and the "CoC Project Listing Instructional Guide," both of which are available at: <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources>.

To upload the CoC planning project application that has been submitted to this CoC Planning Project Listing, click on the "Update List" button. This process may take a few minutes as the project will need to be located in the e-snaps system. The Collaborative Applicant may update each of the Project Listings simultaneously. The Collaborative Applicant can wait for the Project Listings to be updated or can log out of e-snaps and come back later to view the updated list(s). To review the CoC Planning Project Listing, click on the magnifying glass next to view the project details. To view the actual project application, click on the orange folder. If there are errors identified by the Collaborative Applicant, the project can be amended back to the project applicant to make the necessary changes by clicking on the amend icon.

Only one CoC Planning project application can be submitted by a Collaborative Applicant and must match the Collaborative Applicant information on the CoC Applicant Profile. Any additional CoC Planning project applications must be rejected.

For additional information, carefully review the "CoC Priority Listing Detailed Instructions" and the "CoC Priority Listing Instructional Guide", both of which are available at: <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources>.

This page contains the total budget summaries for each of the project listings for which the Collaborative Applicant approved and ranked or rejected project applications. The Collaborative Applicant must review this page to ensure the totals for each of the categories is accurate. The "Total CoC Request" indicates the total funding request amount the Collaborative Applicant will submit to HUD for funding consideration. As stated previously, only 1 UFA Cost project application (for UFA designated Collaborative Applicants only) and only 1 CoC Planning project application can be submitted and only the Collaborative Applicant designated by the CoC is eligible to request these funds.
