COVID-19 Evaluation at Trillium Health

**We're here to help! Please call our COVID-19
Hotline if you are:**

- A patient of Trillium Health with symptoms or with close contact with a confirmed case of COVID-19
- A community member with symptoms or close contact with a confirmed case of COVID-19, but without a primary care provider
- A healthcare worker working in close contact with patients
- An essential worker working in close contact with the public
- At least 16 years old

**Call our COVID-19 Hotline at:
585.545.7292**

Hours: Monday - Friday, 8:30 am - 4:00 pm

Callers will speak with a Registered Nurse who will determine the appropriate next steps. This guidance may include recovering at home and maintaining social distancing, participating in a telehealth video visit with a Trillium Health care provider, or being seen in person at Trillium Health's COVID-19 Respiratory Evaluation Area at 259 Monroe Avenue.

BY APPOINTMENT ONLY, PLEASE CALL FIRST.
