

AUGUST 19, 2020 CARE MANAGEMENT ECHO

Topic:

"Working WITH the Housing Deprived"

About ECHO: Project ECHO is an innovative model for healthcare education and delivery in which providers and specialist faculty connect for virtual sessions that include both lecture and case-based learning. As one of over 250 HUBS across the country, and many more around the world, Huther Doyle is a specialist hub that focuses on Care Management, Case Management and Care Coordination.

During the session, you will be provided with information on the selected topic, will have a question and answer period, then you will be presented with a de-identified case for group processing and discussion.

Presenter: Andy Carey, MSW is the Co-founder of MC Collaborative and Co-Chair of REACH Advocacy.

To join the session: Join Zoom from PC, Mac, iOS or Android:
