

Monroe County OMH and Huther Doyle  
present...

**ECHO:**  
**Substance use disorders and  
co-occurring mental health conditions**

Virtual Learning  
Collaborative

**About ECHO**

Project ECHO is an innovative model for healthcare education and delivery in which providers and specialist faculty connect for virtual sessions that include both lecture and case-based learning. As part of the Western New York Collaborative, Huther Doyle is a specialist hub that focuses on substance use disorder (SUD) and co-occurring mental health conditions..
