ECHO: **Substance use disorders and co-occurring mental health conditions**

Virtual Learning
Collaborative

About ECHO

Project ECHO is an innovative model for healthcare education and delivery in which providers and specialist faculty connect for virtual sessions that include both lecture and case-based learning. As part of the Western New York Collaborative, Huther Doyle is a specialist hub that focuses on substance use disorder (SUD) and co-occurring mental health conditions.

Session #7

Tuesday, October 7th, 2025
