

WE ARE HIRING

EMPOWER INDEPENDENCE. GUIDE WITH PURPOSE.

Join Quality Health Staffing (QHS) as an Orientation and Mobility Teacher and help individuals with visual impairments build confidence, independence, and life skills.

Your expertise will make a direct impact by teaching safe navigation, spatial awareness, and adaptive techniques that open new paths to success.

WHAT YOU'LL DO:

- Develop and implement individualized mobility training programs
- Teach students safe travel and orientation techniques
- Collaborate with multidisciplinary teams and families to support each learner's growth

WHY JOIN QHS:

- Competitive pay and flexible schedules
- Supportive environment with professional growth opportunities
- A chance to change lives through compassion and expertise

QUALIFICATIONS:

- Bachelor's or Master's degree in Special Education, Rehabilitation, or related field
- ACVREP certification preferred (COMS or NOMC)
- Experience working with children or adults with visual impairments
