

The 2025 Continuum of Care (CoC) Competition Notice of Funding Opportunity (NOFO) is now available at [grants.gov](https://www.grants.gov).

The Continuum of Care (CoC) Program (24 CFR part 578) is designed to promote a community-wide commitment to the goal of ending homelessness; to provide funding for efforts by nonprofit providers, states, and local governments to quickly rehouse homeless individuals, families, persons fleeing domestic violence, dating violence, sexual assault, and stalking, and youth while minimizing the trauma and dislocation caused by homelessness; to promote access to and effective utilization of mainstream programs by homeless individuals and families; and to optimize self-sufficiency among those experiencing homelessness.

Approximately \$3.91 billion is available through the FY 2025 CoC Program Competition. This funding serves to:

- Promote a community-wide commitment to end homelessness
- Provide funding to non-profits, states, and local governments
- Promote access to and effective utilization of mainstream resources to optimize self-sufficiency

The following are HUD policy priorities emphasized for FY 2025:

- Ending homelessness for all persons
- Prioritizing Treatment and Recovery
- Advancing Public Safety
- Promoting Self Sufficiency
- Improving outcomes
- Minimizing trauma

HUD is encouraging organizations that are passionate about these priorities who have not previously received CoC funding to participate with their local CoC. In the case that high-quality service providers are denied access to CoC funding, these agencies are encouraged to consider pursuing the Solo Application process that is described in this NOFO and at [HUD.gov](https://www.hud.gov).

Further, HUD reminds applicants that recipients of Federal housing and homelessness assistance may not operate drug injection sites or “safe consumption sites,” knowingly distribute drug paraphernalia, or permit the use or distribution of illicit drugs on property under their control (EO 14321 Sec. 5(c)). HUD may refer allegations of any such operations or distributions to the Department of Justice for further action, potentially including prosecution for any violations of 21 U.S.C. § 856.

For more information, see HUD’s Notice of Funding Opportunity (NOFO).

Additional resources will be available on the Continuum of Care Competition page of HUD's website.
