

Point-in-Time Count

We are here to listen, help, and make sure our whole community is seen.

When January 22, 2026

5:00 PM - 7:00 AM (next morning)

You may see groups walking or driving around our city

Where All around the city and suburbs

– in parks, streets, and hidden places

Why We Are Doing This?

- To count people who are living outside or in places not made for sleeping
- To learn what help is needed
- To get funding to support housing programs

If You Do Not Have a Place to Stay:

- Come out and talk to us
- We will ask a few simple questions
- We will give you information about local help and services
- You will get a resource package and a bus pass or a McDonald's gift card for taking part
- **You can help make sure everyone is counted**
