

How many people are currently homeless in Monroe County?
How many of them are families, youth, or veterans?
How many are in the city? Or the suburbs?

On **January 22nd** **VOLUNTEER** with us for the *Point-in-Time Count*.

Help us toward the goal of ending homelessness in Monroe County.

WHAT is PIT?

The Point-in-Time (PIT) Count is an annual survey of sheltered and unsheltered people experiencing homelessness. We need volunteers to help conduct a count and administer a simple survey.

WHY PIT?

The PIT Count helps us comply with federal requirements and helps bring HUD grant funding into the community to mitigate homelessness.

HOW is PIT done?

The PIT Count is administered annually. It is nationwide. It is completed with the utmost safety for the volunteers and for the survey participants.

*Your participation in the
PIT Count will help us
provide better programs
and services to help
homeless people in
Rochester and Monroe
County.*

Thank You
for helping out with the count!
