Smoke Alarms Save Lives!

Working smoke alarms can cut the risk of death from home fires in half.

That's why we're rallying volunteers, fire departments and partners to *Sound the Alarm*.

Together, we're installing **FREE** smoke alarms in your community. Request a smoke alarm installation today!

Call 585-241-4390 to request an appointment

**April 11th, 2026
Rochester, NY**

During the installation, Red Cross volunteers will check your current alarms, install up to 4 new alarms, and talk with your family about fire prevention and a fire escape plan.
