

INVITATION FOR FUNDING PROPOSALS

TICKET 2 RIDE

April, 2026

Ticket2Ride (T2R) is now accepting requests for bus passes. T2R is a virtually all volunteer agency that supports not-for-profit agencies by providing bus passes to enable low-income individuals involved in the Monroe County Criminal Justice System to appear in court on required dates, participate in treatment sessions, attend parole and probation appointments, and benefit from educational and job training programs. T2R is proudly affiliated with Huther Doyle.

If your agency has a need for bus passes for indigent, justice-impacted people, T2R invites you to submit an application. The form, which is short and easy to complete, is found on our website at Ticket2RideRochester.org. For fastest response, please submit by April 28th. If you have any questions, please don't hesitate to send them to Karen Morris, Chief Operating Officer (volunteer), at judgekaren@aol.com.

We look forward to addressing your bus pass needs.
