## Updates

- 🏠 HUD announced in an email that they intend “to publish a NOFO for 2025 Continuum of Care (CoC) awards. HUD invites CoCs to prepare for an application focused on treatment and recovery, reducing unsheltered homelessness, reducing returns to homelessness, and increasing the earned income of participants.”
- 🏠 “The NOFO will seek to provide opportunities for new types of projects including street outreach and transitional housing programs. HUD encourages CoCs to evaluate the effectiveness of their projects at contributing to the community-wide goals above and to ensure that the most effective partners, including faith-based organizations, are involved.”
