

Before Starting the Project Listings for the CoC Priority Listing

The CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be completed and submitted prior to the CoC Program Competition submission deadline stated in the NOFO.

The CoC Priority Listing includes:

- Reallocation forms – must be completed if the CoC is reallocating eligible renewal projects to create new projects or if a project applicant will transition from an existing component to an eligible new component.

- Project Listings:

- New;
- Renewal;
- UFA Costs;
- CoC Planning;
- YHPD Renewal; and
- YHDP Replacement and Reallocation.

- Consolidations and Expansions Forms – must be completed if the CoC is consolidating eligible renewal projects or applying for new projects to expand the operations of eligible renewal projects.

- Attachment Requirement

- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- New, CoC Renewal, YHPD Renewal, YHDP Replacement and Reallocation Project Listings – all project applications must be reviewed, approved and ranked, or rejected based on the local CoC competition process.

- Project applications on the following Project Listings must be approved and are not ranked per the FY 2026 CoC Program Competition NOFO:

- UFA Costs Project Listing;
- CoC planning Project Listing;
- Collaborative Applicants are responsible for ensuring all project applications accurately appear on the Project Listings and there are no project applications missing from one or more Project Listings.
- For each project application rejected by the CoC, the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND ranked or approved BEFORE submitting the CoC Priority Listing to HUD in e-snaps. Additional training resources are available online on HUD's website

Continuum of Care (CoC) New Project Listing

Instructions:

To upload all new project applications submitted to this Project Listing, click the "Update List" button. This process may take a few minutes based on the number of new projects submitted by project applicant(s) to your CoC in the e-snaps. You may update each of the Project Listings simultaneously.

To review a project on the New Project Listing, click on the magnifying glass next to each project to view project details.

To view the actual project application, click on the orange folder.

If you identify errors in the project application(s), you can send the application back to the project applicant to make the necessary changes by clicking the amend icon. It is your sole responsibility to ensure all amended projects are resubmitted, approved and ranked or rejected on this project listing BEFORE submitting the CoC Priority Listing in e-snaps.

WARNING: If you amend project applications back to project applicants to make changes or corrections in e-snaps, you must approve the resubmitted project applications. If you do not approve the resubmitted project applications, they will not be included on your CoC's Priority Listings, which could result in your CoC losing funding. HUD lacks the authority to fund projects unless they are included on the Priority Listings, which informs HUD which projects your CoC is prioritizing.

Dear Mr. Mayor.

I am writing to request your signature on the U.S. Department of Housing and Urban Development Certification of Consistency with the Consolidated Plan HUD-2991 form no later than Friday September 25, 2026.

I want to start by apologizing for this tight timeframe. HUD was in the middle of litigation and only just re-released the FY 2026 Continuum of Care Competition and Youth Homelessness Demonstration Program Grants NOFO on September 18, 2026. The application must be submitted to HUD by 5pm on Wednesday September 30, 2026.

Prior to the lawsuit against HUD, agencies participated in a competitive application process for renewal and new projects. Our non-conflicted Rank and Review Committee worked diligently to read and score all the projects. HUD made it clear only 60% of funds could be placed in Tier 1 (as opposed to 80%+ in the past) and the remaining 40% would be Tier 2. There may also be bonus funding available.

The executive committee of our board of directors met this evening to approve the list of projects to be funded with HUD dollars through the Continuum of Care competition, and I am including a copy of the approved projects. We are required to include the attached form with your signature to the application, and we appreciate your prompt attention to this matter.

If you have any questions, please don't hesitate to call me at 585-703-9423 or email me at tree.clemonds@letsendhomelessness.org.

Sincerely,

Tree Clemonds, Executive Director
