

## TUESDAY TALKS SERIES: Building Resilient Communities

CCSI has been reshaping communities and leading with compassion for the last 30 years. We are hosting “Tuesday Talks” as one of the events to celebrate our 30<sup>th</sup> anniversary. The goal of our “Tuesday Talks” is to bring individuals together, break down silos, and build a stronger community by creating opportunities for learning and discussion on important topics.

### Tuesday Talk Topics

- **April 19:** Racism is a Public Health Crisis
- **May 17:** Reshaping Mental Health Services
- **June 21:** Transforming Crisis Response Systems
- **July 19:** Racial Equity and Data Innovation
- **August 16:** Innovation and Transformation in Education through Trauma Responsive, Equity-Focused Practice
- **Sept. 20:** Building Resilient Organizations Through Adaptive Leadership
