

DHS – Child & Family Services **Informational Session**

Date: 9/5/23
To: Department of Human Services Community Partners
From: Department of Human Services – Child & Family Services
RE: Virtual C&FS 101 Presentation

The Monroe County Department of Human Services is a complex agency that may present challenges to those in the community who are working with individuals engaged in the Child Welfare system. Recognizing the potential for confusion/questions and the value of information, the Child & Family Services Division will be presenting C&FS 101. This informative session will provide an opportunity to learn about C&FS, its' various units, and procedures including:

- **CPS Investigation**
 - What happens after a CPS Report is made?
 - What constitutes child maltreatment or abuse?
 - How a Determination is made?
 - What is needed to go to Court and Why Court intervention is sought?
 - Potential Court Outcomes
- **CPS Management & Foster Care**
 - Placement Options
 - Permanency Goals
- **Monroe County's Family Support Center**
- **Adult Protective Services**

After attending this session, our community partners will have a greater understanding of Child & Family Services to assist clients and providers through the process when needed.
