

## WNY COLLABORATIVE ECHO FOR SUBSTANCE USE DISORDER & MEDICATION ASSISTED TREATMENT

### Topic: Medication Management for Hospice Patients with SUD

**About ECHO:** Project ECHO is an innovative model for healthcare education and delivery in which providers and specialist faculty connect for virtual sessions that include both lecture and case-based learning. As part of the Western New York Collaborative, Huther Doyle is a specialist hub that focuses on chronic pain, opiate prescription, Substance Use Disorder and Medication Assisted Treatment.

**Presenters:** Basya Herbert, MD, Family Medicine Physician at Anthony Jordan Health Center and Huther Doyle. Charles Morgan, MD, Addiction Medicine Physician at Wayne Behavioral Health. Rashmi Khadilkar, MD, HMDC, Palliative Care Physician at Highland Hospital and Associate Medical Director at UR Medicine Hospice. Jacqueline M. Coates, DNP, MS, RN, FNP-c, Nurse Practitioner at URMHC Hospice and Palliative Care. This panel will discuss navigating medication management for SUD patients in hospice care.

**Please join us for this informative session!**
