

WNY COLLABORATIVE ECHO FOR SUBSTANCE USE DISORDER & MEDICATION ASSISTED TREATMENT

Topic: Co-Occurring Disorders

About ECHO: Project ECHO is an innovative model for healthcare education and delivery in which providers and specialist faculty connect for virtual sessions that include both lecture and case-based learning. As part of the Western New York Collaborative, Huther Doyle is a specialist hub that focuses on chronic pain, opiate prescription, Substance Use Disorder and Medication Assisted Treatment.

Presenter: Dr. Ann Griep will be giving us a presentation on co-occurring disorders. Join us for this informative session!

To join the session:

Join Zoom from PC, Mac, iOS or Android:
