

Project Homeless Connect Rochester 2021 Coat Drive

Project Homeless Connect Rochester(PHCR) is holding its annual coat drive event on September 15th, 2021, at the Public Market in downtown Rochester. The winter months in Rochester can be brutally cold, so we want to ensure that people who are experiencing homelessness have a coat to keep them warm during this time. We encourage the community to take part in this event and support a great cause. Below is a list of locations where drop off boxes are available for coat donations:
