

“The Art of Engagement-Connecting the Dots”

10th Annual Health & Human Service Conference
Tuesday March 31st, 2020
Rochester, NY

Please join more than 200 regional providers.....

Each day hundreds of Health and Human service providers, community stakeholders, funders and policy makers in this region are collectively working to address issues related to Poverty and Health Disparities which have become persistent and pervasive and remain top priorities for many communities. This year’s theme: ***“The Art of Engagement-Connecting the Dots”*** will challenge us to “prioritize and demonstrate our collective impact and effective engagement strategies that truly put ***People First*** and remove structural and systematic barriers that hinder one’s ability to stay connected to the systems and services that will allow them to thrive.
